Contractors Series Garage Door

Constructed using modern manufacturing techniques, our Contractors Series garage doors fit any budget. The door offers embossed wood grain texture finish accented by a traditional raised panel design with an easy-to-maintain, baked-on polyester basic white paint only. Composed of heavy-duty, hot dipped galvanized steel, the garage doors are reinforced for strength and durability. These garage doors set the standard when it comes to beauty and durability.

- ▲ Heavy-duty wood grain textured steel
- ▲ Unique sculpted panel design
- ▲ Short and Long panel available
- ▲ 2" Section thickness
- ▲ Tongue and groove rail
- ▲ Heavy gauge galvanized stiles
- ▲ Doors pre-painted white
- ▲ 21" section heights
- ▲ Inclusive Hardware pack
- ▲ Optional CFC free energy-saving Polystyrene insulation with a rigid vinyl backskin
- ▲ Calculated R-Value 6.25
- ▲ Lifetime limited warranty

Our maintenance-free factory finish looks great on any home. Many people, however, choose to custom-paint their doors to match their home's trim.

Warranty - First United Door Technologies warrants each garage door and component parts to be free from defects in material and workmanship to the original purchaser. A copy of this warranty is available upon request.

R-Value - Calculated door section R-Values are in accordance with DASMA TDS-163.

Reinforced Aluminum Bottom Extrusion - Heavy duty grooved "U" type weather seal is set into an aluminum reinforced "L" angle, and fastened to the bottom section.

I-Beam Center Stiles - I-beam galvanized center stiles are engineered to reinforce the construction of the section and designed to eliminate the use of plastic reinforcement angles when the section is post insulated.

 **Exclusive RITS™ Design** - Exclusive RITS™ "Reinforced Integral Truss System" design, for increased section strength and wind-load capabilities that include tongue and groove rails.

Window Options - Add a touch of elegance to the outside of your home with the addition of decorative window & glass options. Classic or decorative, our window and glass options are designed to enhance the natural beauty of your exterior while adding to the value of your home.
